# THANK YOU

*“Be ye holy; for I am holy.”*

## THANK YOU FOR JOINING THE SWMBA YOUTH & CHILDREN MINISTRY CONVENTION

I would like to sincerely thank all parents, pastors, counselors, advisors, leaders, and especially the youth for taking the time to come out and be a part of the SWMBA Youth & Children Ministry Convention. Your presence, participation, encouragement, and support helped make this convention meaningful, uplifting, and full of fellowship, laughter, learning, and growth.

To our youth — thank you for showing up, engaging, opening your hearts, and allowing God to move through you throughout this week. Never forget that being holy does not mean being perfect. It means choosing God daily while still growing, learning, healing, and navigating life as young people.

As we continue “Leveling Up with SOUTHWEST,” we pray that every lesson, activity, prayer, conversation, and moment shared during this convention remains with you long after these few days are over. Continue to walk boldly, love genuinely, support one another, and remember that even though you are holy, you are still human.

May God continue to guide, protect, strengthen, and uplift each and every one of you.
